**Take the object circumference and add 4" to grip with the tool. (2 X circumference for double wrap.)

- *BAND-FAST*™ Open End with Center Punch Clips are used for repair when a preformed clamp won't fit over the object being repaired.
- Also suitable where larger diameter single wrap clamps are required.

*BAND-IT reserves the right to substitute material with equal or better corrosion resistance and/or mechanical specifications.

BAND-FAST™ Open End with Center Punch Clip
